INDEX OF SUBJECTS.

PAGE.

Action of Common Salt as a Wash 66
Additions to Curtis' Catalogue of N. C. Plants 72
Alchemy and Alchemists 7
Ammonia in Saliva 85
Analysis of Crystals of Dog-Tooth Spar 62
Analysis of Kaolin 93
Analysis of Leaves of Ilex Cassine 39
Analysis of Red Hematite 95
Analysis of Salt making Deposit 60
Analysis of Spiegel-eisen 46
Analysis of Specular Iron Ore 95
Analysis of Zinc Furnace Deposit 6
Arctic Explorations 6
Barium Chromate, Solubility of 90
Bibliography of Dr. Curtis 30
Blephilia Ciliata 94
Chapel Hill Well-water 6
Clay-eating 6
Common Salt as a Wash 66
Cypress (fossil) in N. C. Quaternary 92
Dog-tooth Spar 62
Domestic Life of the Romans 7
Eocene Deposits in Eastern N. C 79
Flora of Angola Bay 6
Geodesy, History and Objects of 7
Geology of the Region about Tampa Bay, Fla. 86
Gifts to the Library 96
Heptyl-benzol, attempts to form 77
Ilex Cassine, Analysis of leaves of 39
Jetties at the mouth of the Mississippi 6
Kaolin, Analysis of 93
Latitude of Chapel Hill 32
Liquefaction of Gases 6
Luminiferous Ether, Theory of 6
Manufacture of Acid Phosphate 33
Mercurous Hypophosphite 78
Meterological Record at Chapel Hill, 1880—1884 48
Meteorology, Use of Balloons in 6
Obituary notice of Dr. W. C. Kerr 8

PAGE.

Observations of Thunder-storms by Balloons 6
Occurrence of Citric and Malic Acids in Pea-nuts 47
Pea-nuts, Citric and Malic Acids in 47
Peculiar Animal and Plant Life in Geology 6
Petrified Human Body 59
Plant Transpiration 63
Progress in Astronomy 6
Progress in Engineering 6
Report of Vice-President 3
Report of Secretary 5
Report of Treasurer 7
Report on the meetings of the British and American Associations 6
Resolutions with regard to the death of Dr. Kerr 96
Red Hematite, Analysis of 95
Reactions of Phosphorus 57
Roll of Members 97
Saliva, Ammonia in 85
Salt-making Deposit 60
Sketch of Botanical Work of Dr. Curtis 9
Solubility of Barium Chromate 90
Solutions (40) of Pons Asinorum 6
Specular Iron Ore, Analysis of 95
Spiegel-eisen, Analysis of 46
Sugar in Diabetes, Determination of 69
Tampa Bay, Geology of 86
Transpiration of Plants 63
Total Phosphoric Acid, Determination of 41
